

Technical drawing of a rectangular plate with dimensions and hole patterns. The plate is 171.76 x 175.45. It features 28 x DIA 2.50 holes and 5 x DIA 10.00 holes. A side view shows a thickness of 6. A table at the bottom right provides metadata.

HOLE SUMMARY

28 x DIA 2.50 drilled along Y
5 x DIA 10.00 drilled along Y

33 holes in all.
Every position is in ALPHA_BOT_PLATE-holes.csv,
beside this drawing.

Dimensions:

- Overall width: 171.76
- Overall height: 175.45
- Internal width segments: 161, 144.35, 100, 55.65, 39, 28.24, 200
- Internal height segments: 200, 38.96, 39, 100, 123.32, 161

Notes:

- 4 x M3 on a DIA 122 bolt circle, at 0/90/180/270 deg
- 5 x DIA 10 worm clearance on a DIA 150.9 bolt circle
- 24 x M3 mounting, in clusters -- see table
- M3 holes are tapping size DIA 2.5

Part Material: Aluminium, 6 mm plate

General tolerances: ISO 2768-m

Scale: 1 : 2
